JOB OPENING

Continental Divide Electric is accepting applications for the position of Apprentice Lineman in our Gallup Office. Applications will be taken through **5:00 p.m. Friday, April 26, 2019.**

JOB RESPONSIBILITIES:

Construction of power line (overhead and underground) for distribution of electrical power. This requires loading, framing, setting poles, stringing wire and climbing, non-energized structures after learning correct climbing procedures and procedures for working on energized lines. Required to assist Journeymen Linemen by giving them tools and material from the ground. Helps in setting poles and required to stretch guy wire and attach to hardware on the ground. Required to perform general tasks as it applies to line construction, and know and practice all safety requirements while on the job. All apprentices will be enrolled, successfully complete and adhere to the expectations of the Apprenticeship Program.

Other duties as assigned.

QUALIFICATIONS:

Must have a valid New Mexico Commercial Driver's License and be physically fit to perform duties in all types of weather conditions. Must have a good understanding of math applications and electrical theory.

All interest persons may pick up an application at 200 E. High Street in Grants and 2500 NM Highway 602 in Gallup or download application from our website cdec.coop
